Welcome to our practice! We thank you for choosing Castlebury Dental to assist you in caring for your dental health. By becoming our patient, you have created a partnership that we hope will last through the years.

Our primary focus in the partnership we share with our patients is prevention-oriented. We are dedicated to your health and are committed to providing superior dental care. This dedication is something we take great pride in. Our goal is to help you feel and look your best while focusing on your long-term dental health. Modern technology such as digital x-rays helps us to accomplish this goal while providing you with a comfortable and positive experience.

In addition to your overall health and well-being, the joy that comes from a beautiful smile does not go unrecognized in our practice. Therefore, we can offer you a range of cosmetic dentistry, from whitening your teeth to a complete smile make-over.

We know your time is valuable and we operate efficiently to minimize your waiting time. Please respect our efforts and make sure your schedule is free for your appointment. We need and, therefore, require 24-hours notice if you are unable to keep your appointment.

We welcome new patients and appreciate referrals. To show our appreciation, we will credit your account \$25.00 for each patient that you refer to us. You are welcome to refer as many patients to Dr. Brown as you would like, with a maximum of \$100 in credits per family referred.

Once again, welcome to our practice. We are here to serve you with all your dental needs. Please fill out the new patient information enclosed with this letter and present it at your appointment. We look forward to meeting you on _____ at _____. Please bring your insurance information if applicable.

Best regards,

Dr. Jacob Brown and Team
